**For Attention: Johan van Dyk**

I am writing this letter to congratulate you for the excellent service you and your company have provided to our farm, it has been a great journey and a most pleasurable one since 2018 when we started with the diesel deliveries. I Appreciate all the extra effort and even on the last minute you still seem to come through and deliver.

Lastly, I want to thank you, for all the support and follow ups, the service you deliver is of the highest standard and I will recommend you to anyone interested in your products.

Keep well and I wish you all the success going forward.

Kind Regards
