### LETTER OF REFERENCE / RECOMMENDATION

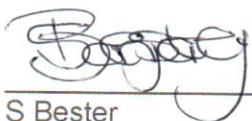

It is with great pleasure and excitement that I am writing this letter to you as a reference / recommendation for the excellent high quality services provided by BOHLALE ENERGY.

For the past few years, I have worked hand in hand with BOHLALE ENERGY to assist Mooiplaats Colliery with the supply of Diesel. Not once have they failed with supplying, and have always been on time, making them a reliable partner to us.

The prices are very reasonable compared to other providers in the market. The reputation of the services of BOHLALE ENERGY has grown to be quite high. There have been no complaints as the diesel is of highest quality. The mine production has never been interrupted because of technical reasons.

I strongly recommend the services of BOHLALE ENERGY for your all diesel requirements.

Sincerely

S Bester
