Letter of Recommendation

TO : WHOM IT MAY CONCERN

REF : LETTER OF RECOMMENDATION

OUR REF : AM CON 25.01.2022 (1)

It is with great pleasure that I have the opportunity to recommend Bohlale Energy/ Geat Services as a supplier.

Bohlale Energy/ Geat Services has been a supplier to Rufco Construction for the past 3 years and we are satisfied with their level of performance, quality product and service provided.

We purchase 50ppm diesel from them and they currently offer the most competitive rate compared to other providers in the market.

Hope you will have a positive business experience with them, as well.

Should you require any additional information, please do not hesitate to contact us

Yours Sincerely

Osvaldo Ruffini
