TO WHOM IT MAY CONCERN

I am writing this recommendation letter for the Fuel Supply of **Bohlale Energy**. We have been using their services and products for the past 4 years and we are satisfied with the level of service that we are getting.

They offer the most competitive rates and have always been excellent with their product quality and on time delivery. We currently order approximately 400,000L per month.

If you have any additional questions or clarifications regarding **Bohlale Energy**, please feel free to contact me.

Yours sincerely
